Sub.: Charges on Mobile Trading

Dear Sir / Madam,

With reference to above we would like to inform you that, we had given mobile trading to all our clients on free basis for 1 month (for January 2020). Now management has decided to charge Rs. 5 + GST per order placed through mobile trading platform w.e.f February 2020. Please note that the order charges are on actual basis charged by our service provider which is over and above one time charges borne by VSSL.

The clients who wish to use mobile trading facility either Authorised Person / Client has to bear the charges. The clients who are currently availing mobile trading facility and do not want to pay charges may discontinue using mobile trading with immediate effect.

Please take a note.
